

Dear Villagers,

Welcome back to Term 2!

As you would already be aware, there have been a number of developments over the last two weeks and we have built a plan for a phased return to school. We will publish this plan fully next week. For your own planning purposes, see below for when your child/ren will be able to attend school for their one day per week 'connection day' **from Monday 11th May**. The logistics required to make this happen, whilst still meeting COVID19 guidelines, are significant and complex. We have done our best to make things as uncomplicated as possible and therefore will be unable to make any further adjustments.

Until Monday 11th May, there will only be **minimal supervision** at school as in weeks 10 and 11 of Term 1. All students will be following the one program; **"Learning Goes Audacious"** via their online platform.
