

# Term 2 remote learning for Year 11 Students

Year 11 learning will continue for each course with delivery modified to bring in as much flexibility as possible. Key teaching points will be pre-recorded so that students can view them in their own time and as often as needed. Live optional video conferences will be scheduled according to the existing timetable to provide specific support and opportunity for discussion and connection.

Year 11 assessment tasks will be modified by teachers in response to the restrictions of remote learning. We will remain responsive to the pressures of assessment throughout the term.

## **Learning Support Team**

Our learning support teachers will continue to support students and teachers.

Learning Guides have already sent out a number of options for students to check in and we will continue to do so. We encourage students to take up these offers and/or feel free to contact their Learning Guide as needed. Remember, ["We are right here, waiting for you."](#)

Just in case you can't hear our lyrics :

*'Suburbs apart, day after day, and we slowly go insane*

*We see you working, online, but it doesn't stop the pain*

*Although we can't be together, at least it won't be forever*

*Wherever you go, whatever you do*

*We will be right here, waiting for you*

*Whatever it takes, we won't let you break*

*We will be right here waiting for you*

*We took it for granted, all that time*

*That nothing would ever change*

*We heard your laughter, we wiped your tears*

*We still feel it, though that's strange*

*Although we can't be together, at least it won't be forever*

*Wherever you go, whatever you do*

*We will be right here, waiting for you*

*Whatever it takes, we won't let you break*

*We will be right here waiting for you'*

In other news, Shae is taking up a secondment with the DET at Parramatta for the remainder of the year. Her POD will be beautifully cared for by Olwen who is joining us as a Learning Guide and a HSIE teacher.

### **Sample study plan for Year 11**

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
