### Think Tank - Establishing Entrepreneurial Skills

LLV Unleashed Week provided a number of students from Stages 3-5 the opportunity to create their own business.

In the space of one week, the students looked at the 4 P's of Marketing - Product, Price Promotion and Place.

The students created their own business plans, did their own market research, met with industry experts, designed their own logos and menus, shot a TV advertisement before bringing it all together on the Friday by creating a Signature Sandwich that they presented to Stephanie, Mark and Lou.

Congratulations to Simply Sandwiches and their Signature Sandwich - The Sourdough Surprise. The winning sandwich will be available in Term 4 from the Bitter Pea Café!
