### InspirED Career Expo

28th - 30th September

The Career Expo is set to kick off from the 28th and run for 3 days. There will be a program along with live and on-demand talks from 12pm-8pm each day.

A great opportunity to explore the various pathways beyond school.

To register, go along to <https://inspired.edu.au/thecareerexpo/>

### Feedback

*I'd love to hear from you!*

This is now the 12th edition of our Futures Newsletter, and I would love to listen to your feedback about how this could be improved.

[Click here](#) fill out this form or email me (email above).

### “When I Grow Up” - Stage 1’s Journey into the World of Work

You walk into the learning space and look around. You turn to your left and see a chef talking to a doctor and a scuba diver. You look to your right and see a vet deep in conversation with a pop star. And all around is discussion about “When I grow up”.

The world of work is always shifting, and it was fantastic to head into Stage 1 this week to find all about what they are learning about the world of work!

Throughout the week, we were able to inspire our villagers as they started to think about what kind of jobs were out there, and what skills they needed to achieve success. A massive thank you to the Stage 1 team for allowing me to come and spend time with them.

### Stage 5 - Work Immersion

In-lieu of Work Experience being postponed, Stage 5 had the opportunity to immerse themselves into the world of work to better equip them as they start thinking about their future.

We had the opportunity to undertake a number of activities, including resume construction, e-Portfolio development, budgeting and engaging in job interviews to build their skills.

We were lucky enough to be joined by Jess (College Basketballer), Jacinta (Forensic Psychologist) and Jordan (General Practitioner) as we chatted through how each person has a different journey to get to where they are now, and what skills they needed to achieve success throughout.

### Upcoming Events

- **UCAT, Interviews, Medical School Applications** UCAT NIE is proud to present a free information webinar about UCAT, interviews, the undergraduate pathways into medicine, dentistry, and some other health science programs. This is NOT an advertising seminar. The session is PACKED with invaluable information. Register via <https://www.nie.edu.au/ucat-free/free-ucat-information-sessions>
